

RAMIENS TIMBER CO.

PRESENTS

FARMPUNK

An upcoming exhibition at Ramiens Timber combines salvaged farm machinery, photography and recycled timber to evoke the nostalgia of rural life in Australia.

these sculptures are the collaboration of sculptor and artisan, Pete Denison, with local furniture makers, Ramiens Timber.

FARMPUNK

“Understanding the disconnect when farmers move to the suburbs, the aim is that these works will bring a little of the land into their life.”

- Pete Denison
